

Rail Fence

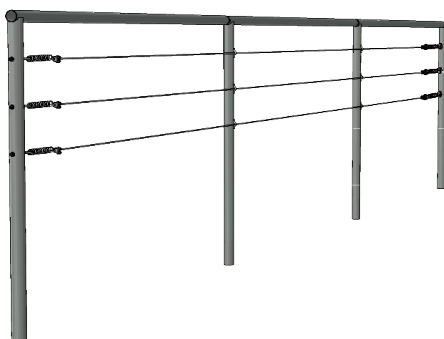

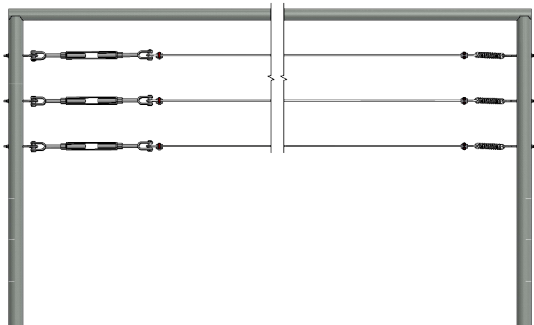

Hands-Off Cow Flow Management

Our modular fencing solutions offer producers a cost-effective, easy-to-install solution that is customizable to fit the needs of any and every facility. Built as long or as short as you like, with easy to connect sections.

Designed for long lasting use, Artex fence panels are cemented in place, without the need for on-site welding. Speak with us today for more information on a customized solution.

RAIL FENCE FEATURES

- Customized Solutions For Each Facility
- Easy Installation with No On-site Welding
- Ideal for Holding Areas, Transfer Lanes and Perimeter fencing
- Long-Lasting Solution With Minimal Maintenance Requirements

Cable Fence

Hands-Off Cow Flow Management

This build-your-own solutions is our most customizable fencing option. We provide you with individual posts and anchor panels that allow you to create a fencing solution that fits your exact needs.

Each cable fence solution is unique, and we work with you to develop a layout that makes sense. Speak with our team today to discuss layout options and 3D layouts.

CABLE FENCE FEATURES

- Customized Solutions For Each Facility
- Easy Installation with No On-site Welding
- Ideal for Transfer Lanes and Perimeter Fencing
- Long-Lasting Solution With Minimal Maintenance Requirements
