

Post Mount Freestall System

A Versatile, Low-Cost Solution For Any Facility

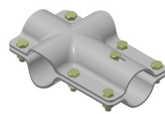

This versatile freestall system is an excellent solution for both retrofitting existing facilities and new facilities. Designed with easy-installation in mind, it works with a variety of bedding options and can be adjusted to different heights.

Compatible with all Artex stall dividers, the post mount freestall system is available with a wide variety of clamp options for both round or square posts. Available in hot dipped galvanized or pre-galvanized options.

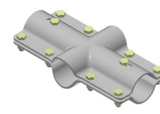

- Allows for Height Adjustments
- Open Front for Optimal Cow Comfort
